Mail Order Bride: Katie (Orphan Brides Go West Book 3)

Synopsis

Be sure to check out my latest release - The Betrothed is now available:

<http://amzn.to/2aEiGiKBoston>, 1870 - When tragedy strikes, Katie finds herself pregnant and alone. Unable to trust anyone, she and the baby face a dismal future. After the California Gold Rush, eligible women are hard to find. Norwegian immigrant, Kristoff, owns a thriving business in Sacramento. Yet, even with all his success, he longs for a companion to share his life. When Katie arrives in California she makes a very memorable first impression on Kristoff. She's sure that marrying him is the only way to care for the baby growing inside her, but she's worried that he won't go through with the wedding. He's looking for love, but soon becomes convinced that she's keeping something from him. Misunderstandings threaten to tear them apart, and she's fearful about what will happen when he learns the truth. Readers say, " I cried and laughed...What an awesome ending. Can't wait for more!!", "I did not want to put it down", "Got better and better". If you like books by Caroline Fyffe, Kirsten Osborne, Kit Morgan and Debra Holland you'll love this story! This book is a sweet, clean, western, historical, romance novella. It is a complete story, but it is also part of the Orphan Brides Go West series. Be sure to read them all - in any order! Always FREE on Kindle Unlimited. Be sure to check out my new release, OF PEAKS AND PRAIRIES, now available. <http://amzn.to/29BGck2>

Customer Reviews

This novella was an exciting reading experience that I dove into on a whim. I knew nothing about this author or series and had not read anything mail order bride related before; so I essentially started this with no expectations. I havenâ™t historically read a lot of romances, but that is quickly starting to change. This is a sweet romance, so there are a couple chaste kissing scenes (with their desire for moreâ), but there is no dancing between the sheets here. You could feel the passion and interest in both of the characters, but everything is kept in check because of various plot points that Iâ™m not going to spoil here. Although this is novella length, it had the feel of a full length novel. The plotting did not feel rushed, as some romances (even full length romances) can tend toward. There were complete character arcs and real time spent with relationship development. I actually cared for everyone involved in this story, even the periphery characters, they were all fully fleshed out. The story moved right along and I did not want to put it down â I just wanted to reach the end of the story and ultimately want to pick up the previous two (and the upcoming too). This is the third book in the series, but they do not need to be read in any particular order and I donâ™t know that they are really interrelated, besides being based on brides that are orphans and head west. This was not what I consider a typical mail order bride novel, based on what that term brings to mind. It was more of an arrangement through a third party friend, rather than through a service of some kind. Another element that I really liked was the choice of settings â Boston and Sacramento, California. These are not common locations and they were fleshed out enough to be unique locations, not just stamped.
