The Shinar Directive: Preparing The Way For The Son Of Perdition's Return

Synopsis

The Shinar Directive serves as a kingdom intelligence briefing for God's people in the twenty-first century. On the ancient plains of Shinar, an evil was born: The first world king, the prototype transhuman, the ultimate despot, the Son of Perdition--Nimrod. In Babylon, the Son of Perdition devised the Shinar Directive: the enslaving of humanity and the war against the God of Heaven. God's intervention at the Tower of Babel only delayed his hellish plans. The Luciferian Elite now control three key circles of influence in the world: financial, political, and religious. However, controlling these three systems was not enough. The laborers of Mystery Babylon have been quietly planning and waiting for thousands of years for the releasing of the Watchers of Genesis 6. Now armed with developing Watcher technologies, the Elite will use transhumanism and mind control to build the Joel chapter 2 army: the army of the Antichrist. We are beginning to realize that the mark of the Beast and the image of the Beast are much more than we could have ever imagined; beyond an implant and beyond a physical mark, they will affect DNA and who we are at a molecular level! As the powers of Mystery Babylon gather to create the new Tower of Babel and prepare for the Son of Perdition's return, Heaven is issuing a clarion call to the Remnant: Know the strategies of the enemy, untangle yourself from it, and become the victorious Church! Heaven's Jewish Apostle of Love, John, reveals the coming conflict in his book of Revelation and provides the ancient Hebraic wisdom encoded in 1 John to equip the bondservants of Messiah with the tools of the kingdom to overcome the Shinar Directive!

One of the finest Bible prophecy books I have ever read, Dr. Michael Lake has produced an instant classic of the new paradigm of prophetic interpretation. This is a book about the anti-Christ system of Mystery Babylon and the under-acknowledged influence of Nimrod and ancient Babylon on the stream of history. Dr. Lake cites classical sources, Hebraic word studies and some of the other new prophetic writers to bring the reader a comprehensive understanding of how, from the beginning of time, Satan conspired with fallen man to counterfeit God's promise of a redeemer and of a place of promise with Him. Satan's masterpiece was Nimrod, the original tyrant, who carried within him the secret occult power that dominated the pre-flood world (Atlantis) and infected mankind with the Nephilim curse. The result was the New Atlantis -- the ultimate totalitarian political-financial-religious system in defiance of God. Originally established at Babylon, the satanic conspiracy rolled down through history, infecting all of the societies, governments and people it came into contact with -- even corrupting God's people, Israel, and infiltrating the church. Dr. Lake covers this vast material in an easy to follow style that will guide the reader through the layers of the conspiracy from Genesis to Revelation. This is the new paradigm of prophecy, one that incorporates an understanding of Hebrew literary conventions, a supernatural worldview, the prophetic role of Islam and the conspiracy view of history. Those accustomed to the old "Dallas Theological Seminary" prophecy model will be uncomfortable with some of this material.
