This book was so awesome, such an easy read and what I really liked about it was the fact that there were specific prayers for specific illnesses..I have practiced these prayers at the altar and have seen healings take place...thank you so much for giving us the direction and showing us how to allow God to use us..it's not about us, it's all about Him..

This book was a help in knowing how to specifically pray for different illnesses. It gives you confidence and builds your faith to believe and pray for others. I am glad I have it as part of my book collection.

I met Joan at a writer's conference and got a copy of her book. I was intrigued by the cover. Joan was a little excited. Her book was selling really well, and was going into second printing. She should be excited. Finally I got around to reading a chapter or two. The truth is undeniable. The hope is reviving. The potential is unlimited. You might as well get yourself a copy. Healing the Whole Man

may be the cheapest fix for what ails you - spiritually and physically - that you could ever buy.

The Bible tells us as Believers that we are to lay hands on the sick and they shall recover. Joan Hunter not only spells out what God's Word has to say about healing, she clearly identifies many of the diseases which plague Christians and unbelievers alike. She provides specific, effective prayers to enable God's healing power to minister to the individual. This is a very practical, easy book to understand and apply, one that is much needed today in the Body of Christ. I heartily recommend it. Edna Love United Methodist pastor (retired)

Very useful, informative and surprisingly comprehensive. Never would have guessed that such a help existed - we're impressed!

This book is an awesome book to aid you in ministering to those who need a touch from God. I would encourage you to buy it and use it for God's kingdom.

This powerful book, opened my eyes to reasons for changing my way of thinking. I had become very bitter over things that I couldn't do anything about. I have since repented of my attitude, and turned it over to God, therefore letting it go. I have a greater peace in my life now. Thank you. Judy Thornton

As a believer and follower of the Lord Jesus Christ this book helps you to see the command for us to be used by Jesus to heal is very real today as it was 2000 years ago. The book encourages you to take the first steps in the Healing Ministry by giving you insightful background on specific disorders which enables you to have more courage to do what Christ said that we can and will do: Lay Hands on the Sick and they WILL recover. Simple Truth's and easy to understand. Prayers to set the captives free by recognizing the bondage that causes certain infirmities. Thank you Joan Hunter and God Bless your ministry.
