The Song Of Songs Of Solomon

Synopsis

Song of Songs of Solomon is Madame Guyon's commentary, of sorts, on the Songs of Solomon. Imprisoned and persecuted for her mystic views, she provides her own allegorical and somewhat mystical interpretation of Songs of Solomon. She interprets the book in terms of Christ and the Church. In particular, she focuses on the "Spiritual Marriage"--where the soul has "permanent and lasting possession" of the divine. Her Song describes the different stages that the believer goes through on the way to maturation in Christ and the possession of the divine. Although Madame Guyon's interpretation is somewhat controversial, it remains powerful and is able to move one's heart towards God.

Having only recently discovered Madam Guyon, I am amazed I had never found her writing before. Religion always crucifies Christ, it has done so for 2000 years, and will continue until He returns to claim His own.

This is a fabulous commentary on Song of Solomon. Of course I love any book by Madame Guyon.

Her relationship with Jesus is so close and intimate. You can feel her love as she writes and you can also feel His love back to her.

Amazing. If you like to go deep and low this is for you. If you're in love you'll be able to read it well. Its too much for some people and the way its written is hard for some people to read

I love the simplicity of Mme Guyon's writing on the subject of Song of Songs. She constantly directs my heart to Jesus by the Spirit. Excellent work.

This woman of God, walked with the Savior! She has written many books and each are as valuable as the other. Good read
