Bible Studies For Life (BSFL) - Distinct: Living Above The Norm [Vol 10] (Bible Study Book)

Synopsis

We were made to be different — to stand apart — to live in such a way that it's clear we aren't bandwagon crowd-followers; we're followers of Jesus. That fact makes us stand apart — distinct from the crowd. *Distinct Bible Study Book* includes a small group experience for six sessions, applicable Scripture, key word study, and a life application section called "Live It Out." We like to fit in. Ever since we were kids, we wanted to like the right kind of music, wear the right clothes, and use the right technology. We still do. But we were made to be different and live in such a way that it's clear we aren't bandwagon crowd-followers; we're followers of Jesus. That fact makes us stand apart — distinct from the crowd. When we started following Jesus, everything about us changed whether we recognized it or not. We have a new heart. We have new desires. We have new attitudes. And all of that newness stands in sharp contrast to the old. In his most famous sermon, Jesus helped His followers — both then and now — to see just how different God made us to be. In everything from our character to our relationships to the way we love other people, we were made to stand apart from the crowd. Just as it was for those who heard the Sermon on the Mount for the first time, every day is filled with opportunities for us to blend into the norm. Or to be distinct.
