Twelve Extraordinary Women Workbook

Synopsis

A first-time mother, a prostitute, an introverted young woman, sisters with opposite personalities. Who were these women? Ordinary women for sure, but used by God in ways they never could have imagined . . . made extraordinary because of their life-changing faith in God. Based on the book by pastor and best-selling author John MacArthur, this workbook brings you face-to-face with twelve women whom God chose to bring His message of redemption to the world. In examining the lives of these women, you will discover their struggles and doubts, their fears and failures, their faith and commitment. you will learn how God used these ordinary women in extraordinary ways. And, through their stories, you will discover how God can impact the world through you! Perfect for group or individual study, this workbook includes: Daily Bible readings Engaging and thought-provoking questions and journaling Fascinating and helpful applications for your daily life "Adding to your Scriptural Vocabulary and Understanding" sections Instructions for facilitating your own small group study

Customer Reviews

Mac Arthur writes extremely well, but, in my opinion, reaches unsupported conclusions about the lives of some of these "extraordinary women." He makes assumptions about their hearts and their motives which he cannot know and with which I disagree.

This is an excellent companion to Dr. MacArthur's book. The questions are thought provoking and challenging. It works well for a study for one alone or in a group.

This Bible study is excellent! It requires you to put on your thinking cap, but you won't be disappointed as you are challenged by the lives of these 12 women. The author asks questions to review and then makes the lessons personal by having you answer specifically to your situation. It will excite you to further study the Word of God, Your love for God and His Word will increase as you study the depth of His love for these imperfect women. Then it will continue to grow as you realize how He can transform any woman to become extraordinary as we yield to Him, Love this study!

I am so bummed that I can't use this workbook without buying yet another book. I was hoping to use the workbook with my Bible only. I feel like this workbook could be included at the back of the regular book.

I ordered this book to compliment the Twelve Extraordinary Women book our Bible Study was exploring. The workbook offers great questions and is the perfect companion to the book. Exploring great women from the Old Testament through the New it covers insights into Eve as well as Mary, our blessed mother, and strong early Christian women. The book arrived in good shape, was sold at a good price, was well packaged and arrived quickly.

The book was in great shape. Content is thorough and challenges the reader. More in depth than the average book due to the author and how he gets deeper into the women's lives. It is easy reading and detailed so that you can almost feel like the women you are studying.

Some friends and I are doing this study. The soft back book has thought provoking questions for each chapter. (The hard back book does not have questions.) The workbook questions and comments are good, but be prepared for more reading & questions. We love the book and the way the women's lives are presented!

This is a great companion tool for Twelve Extraordinary Women. It is lengthy. Be prepared to commit a fair bit of time to the study--but well worth it!
