Rethinking Missio Dei Among Evangelical Churches In An Eastern European Orthodox Context

Synopsis

Following a paradigm shift in his own personal understanding of mission, Vladimir Ubeivlc proposes the adoption of mission principles based on missio Dei to meet the social and spiritual needs of people in Moldova. Biblically grounded and insightful, the lessons to be learned from this book apply far beyond Eastern Europe. Dr Ubeivlc uses his knowledge from six years of research, twenty years of pastoral ministry and a lifetime of experience to summarize the landscape of the Moldovan Evangelical and Orthodox churches and their historical approaches to mission. His evaluation emphasizes the need for a biblical foundation to mission for Eastern European Evangelical churches. This book's message is a timely, scholarly reminder of the need to pursue holistic mission if the church of Jesus Christ is to be an authentic and effective vessel to bring transformation to people's lives and society.

Book Information

Paperback: 338 pages

Publisher: Langham Monographs (September 30, 2016)
