They are called secrets, because many choose not to avail themselves of what is readily available to us in the Book of Proverbs. There are 31 chapters in this book of the Bible, one for each day of the month. If one will just read a chapter a day, their whole life can be changed. Mike Murdock reveals better than anyone how our lives can be transformed by reading and putting to use the very secrets King Solomon wrote down, so that all could benefit. Simple to read, yet profound in message.

This book has changed my life... I am reading again and then will keep reading it over and over. The author when on tv can be a little disconcerting but His message is right on target.

I always enjoy studying Solomon. This book is an easy to understand and read study on the practices of Solomon and is great for anyone wanting to understand more about this great man of the Bible! Mike Murdock writes books that are incredibly easy to read yet are packed full of knowledge and wisdom. I like to say he writes in "one-liners" because you'll end up quoting those

one-liners later. They're easy to remember but are powerful tools!

This book is so full of wisdom. It is about the teachings of the richest man that ever lived: Solomon. It tells you step by step what Solomon did to get his life where he got it. If you were like me and thought Solomon was just some arrogant, rich guy this book will change you b/c he wasn't like that. This man was extremely wise. Murdock presents all his wisdom here. It will help your life. And not just in a financial way, but spiritual and mental. Everything Mr. Murdock says is so true and intelligent. My friend flipped through the book and said Wow, this makes a lot of sense. Can I borrow it? I RELUCTANTLY let him.lol. I highly recommend this book to anyone who is a searcher of truth, knowledge, and wisdom like me... That Solomon sure was wise and special!

Biblical quotes follow the themes. All secrets are well documented in history. Shows how difficult it would be to accomplish his feats in today's controlled and dictated world. Short and to the point! I'm ordering more to give to others as motivational encouragements.

Secrets of the Richest Man Who Ever Lived is just another wonderful view of how this author, Mike Murdock can form words which literally open and exercise the wisdom God has placed in us. With this read you can actually see and understand how a man, Solomon uses wisdom to direct his own decisions and what's going on around him as well as the wisdom to direct the lives of his people. So many people do not know how to extract the wisdom that resides inside them, like King Solomon, but this book helps you understand yourself so much better and guides you in the right path to understanding. I really liked this book.

So far so good. My brother is reading this book right now and it so good that you have to read it slowly because the information is so powerful to take in all at once. I am waiting patiently for him to finish. I am excited!!!

Mike Murdock delivers a great message and the literature is easy to read. I found this book to be inspirational and reassuring. Good buy in my opinion if you are open minded and searching
