Perla La Loca (Love And Rockets)

Synopsis

In these classic "Locas" stories, Jaime drops a narrative bomb on Hopey (and us) in "Wigwam Bam"; Maggie contends with her inner demons, a murderous hooker, and an amorous lady wrestler; and Maggie, getting married? Perla begins with the "Wigwam Bam" story, arguably Jaime Hernandez's definitive statement on the post-punk culture. As Maggie, Hopey, and the rest of the Locas prowl Los Angeles, the East Coast, and parts in between trying to recapture the carefree spirit of those early days. "Wigwam Bam" brings us up to date on all the members of Jaime's extensive cast of characters and then drops a narrative bomb on Hopey (and us) in the very last pages. Split up from Hopey yet again, Maggie bounces back and forth between a one-laundromat town in Texas (the "Chester Square" that serves as the title of two of the strongest stories in the book), where she has to contend with both her own inner demons and a murderous hooker, and Camp Vicki, where she has to fend off her aunt Vicki's attempts to make her a professional wrestler and the unwanted advances of the amorous wrestling champ-to-be, Gina. As usual, Jaime spotlights a wide range of headstrong female characters. And what's this about Maggie getting married? Black-and-white comics throughout

Book Information

Paperback: 288 pages

Publisher: Fantagraphics (December 17, 2007)

Language: English

ISBN-10: 156097883X

ISBN-13: 978-1560978831

Customer Reviews

I can remember reading the comics when my parents would go out for the night, I was fascinated by the realness of the drawings, the wording, the touch of scifi made for great reading. I moved out and moved on, but a part of me still pined for the comics, they were my friends when I was all alone. So if you need an affordable read, with kickass drawings, lots of punk rock fury and beautiful ladies: buy

these books, now I am asking for the new series for Christmas.

By the time I got to this book, there was no stopping me. I had to literally force myself to slow down, so that I could savor the stories longer. I was so sad to have finished it, however now I'm reading the books following it... and still loving it. Jaime has really created something special with the dynamic relationship between Maggie and Hopey.

Haven't read it just yet, one of the great Slice of Life comics, makes incredible reference and illustration inspiration.

awesome
