If your child or grandchild can't get enough of Callie and her horse Sparky you'll want to purchase this latest western adventure. The pair ride into the small western town of Mean and Messy Corners and help clean the place up both figuratively and literally. Besides all the papers blowing about the town is plagued by some bad desperados but Callie takes care of these miscreants. The grateful citizens then make her Sheriff! The story is cute and the illustrations will delight young readers so this is a picture book that Callie fans will love from start to finish. Book provided by publisher.

My 4yr old and 2yr old love it! Book quality seems like it'll last and we love the beautiful illustrations. I like the feel of the pages too. My 4yr old loves the show and I was excited to find they have books now. The story tells how Callie became Sheriff of Nice and Friendly Corners. After reading my

daughter requested to see this on tv-which they do not have an episode based on this book. We read it all the time!

Beautiful story and book. The illustrations are sweet and my 3 year old daughter couldn't wait to hear it before leaving the store. We love everything about this book! Perfect to read as she role plays with her Callie figures too.

This book is adorable! My daughter absolutely loves the television show so this was a perfect Christmas gift for her. It's her pick for her bedtime story most nights.

My grandchild was delighted to receive this book after seeing several episodes of Sheriff Callie on television.

My 4 year old twin Grandsons just loved the video and book. I would highly recommend!

My granddaughter loves anything Sheriff Callie. Wish I could find clothing.

Nice story. Fun to read to little ones or as early learning-to-read tool.
