## Customer Reviews

Love the book, beautiful illustrations and wonderful story. I have the other two books in the trilogy (also outstanding) and was able to purchase them brand new, but not this book. My seller posted it as a former library book in "good" condition. It came with blacked out stickers on the front cover and several pages ripped near the back. Just not what I would classify as good condition. I guess I'll have to wait for another copy to come up and re-buy it then.

A wonderful book with great drawings. Very colorfull and well binded. Contains a few great Chinese legends in English. Great for children and adults!

Fabulous story, this book needs to be put back into print.
