Every Young Man's Battle Guide: Weapons For The War Against Sexual Temptation (Every Man Series)

Synopsis

It's handy, it's powerful, it's designed specifically for older teenage boys and young adult men: Every Young Man's Battle Guide reflects the same format and purpose as Every Man's Battle Guide, but with a distinctive approach designed for a younger audience. Young men struggling with sexual temptation, masturbation, Internet or video pornography, and other situations will find this collection of 520 Scripture passages, along with stories, advice, and comments from the author's books, to be a vital part of their arsenal in the struggle to become the kind of man God wants them to be. From the Hardcover edition.

Customer Reviews

for starters, i am 18 and still in high school. i have just as many sexual struggles as any other young man and this book is the best thing that's ever happened to me. it's provided many hopeful messages about honoring God and women and i've found it to be more encouraging than the Bible (at least in the area of sexual temptation) it not only gives facts and statistics, but what women think and also real-life stories that have much more impact than the Bible's harsh preaching. it was an incredible book and i will continue reading it and encouraging others

While there is nothing particularly new in this version of Arterburn's message, it does provide practical and tactical ways for young men to avoid the plague of pornography and objectification of women. In this world awash with sexual images, young men need tools to remain pure and holy as they mature toward righteous manhood. By the way, Sapphire has never gives a rating above 1 star as of 1/13/2006. He/she appears to be a non-Christian and angry towards God and men. Take care in accepting that opinion.

I purchased the Cd's because I wanted my boyfriend and I to listen to these as quickly as possible. And its easy to listen to while driving. This book is very informative about how men are wired sexually. I am a 35 Year old woman and I was shocked that I still didn't know this information about men. It explains how men can control themselves from lust and fantasys if they want to try. I think men of all ages should read this book and even when guys hit puberty. This would be good for them to understand themselves and how to stop lust.

Good book to use with young men who want help. Would also be helpful for parents and mentors who are trying to understand the addition of pornography in men.

A good set of verses to go along with the companion book - Every Young Man's Battle. The only reason I didn't give it 5 stars is because the content is basically a rehash of Every Young Man's Battle.
