thank you steve the noob for putting me on the favorite reviewers list. those books are so funny (steve did LOVE cookies!) and i love them so much. they cause me to laugh really hard. to parents: there was a mild amount of poo humor, steve got diarrhea amd poeed in a hole in the ground, later in the story when running, he fell in it then a cow whent on his head. overall, really funny books!

hey steve th noob its me again nd i just want to ask you were do you get the animations i love them i kmow you probably wont reply but i still wanna ask so yeah once again steve gets himself into more trouble with the slimes and gets chased lollove you lots-PlasmaGamerYT/InvoluteMoss22

Why does Steve have to break into Bobs house? Couldn't he just grab a pickaxe and start hacking

away at the door? And why does running have to do when fighting the Slime Boss? Also why does he have to go to war, can't he just re-plant the garden. Then that would have saved him from all this. No really WHY?!?!?!?!?

this book so good I would say it is out of this world and this book is the best book I have every read I love this book and I think every person on earth should read this book! and my favorite part is the part is were all the slimes get to together and make a huge slime and Steve runs for his life away for the huge slimes and I also think this is the best book every
