Claiming The Heart Of A Duke: Sweet And Clean Regency Romance (His Majesty's Hounds Book 1)

Synopsis

A grieving Duke, a disregarded daughter, an unsuitable love, a trap set to compromise, an unexpected happy ending. Free on Kindle Unlimited (for a limited time only) Hunter Barrington, Duke of Melton, returned from war a changed man. Grieving his lost love, now the holder of a title that he had never thought to inherit, and expected to marry at the earliest opportunity, what he needed most was someone who could see him, simply as himself. Lady Nerissa Loughbridge, the second daughter, always outshone by her beautiful sister, perpetually reprovved for her hoydenish ways. What she needed most was someone who could see her, just for herself, who might allow that her dreams had value, simply because she wished them. Then one day, in the winter woods, they met... But a few magical weeks of delightful friendship were swept away by the hectic London Season, as Lady Nerissa's transformation from ordinary, to the Incomparable of the Season, brought a flock of suitors, and the Duke's new title made him the catch of the year. Can they find their way back to each other, through all their hearts' confusion? Can Lady Nerissa thaw a heart frozen in grief, and claim it for her own?

Customer Reviews

A good story. A clean read with dialogue, courtship and grand wedding. The hero and heroine were both likeable. Whatever issues arose the characters resolved with communication, which was refreshing. Usually communication is hurriedly inserted in the final pages of a story. I wish the secondary characters had had more depth and story to them. And since the hero is a duke, why does the author keep having him addressed as "my lord" or "the lord of Melton"? Shouldn't it have been "your grace" or "the duke of Melton."

The story was sweet ,characters are a bit bland but nice. I was very bothered by inconsistency in hero being addressed by servants and others. He should have always been addressed as ,Your Grace. Very poor editing.

Claiming the Heart of a Duke is a nice sweet historical. It is easy reading and kept me enraged My only criticism would be all the peripheral characters are so shallow and undeveloped. Sometimes its interesting to see them fleshed out some. Maybe best friend, sister etc. Otherwise a good read."I received a pre release copy of this book in exchange for an honest review".

I thoroughly enjoyed this great historical romance with great characters, romance and intrigue. They had their problems, but the ending was great. I plan to read more books from this author. I received an advance review copy in exchange for an honest review, and I highly recommend this book to lovers of this genre.

Short sweet clean and a good read, for a rainy afternoon enjoyed this book very much, nothing very well written
