Behold A White Horse: The Coming World Leader: The Coming World Leader

Synopsis

The final world dictator seeking global domination will also be an "Assyrian" who is here characterized by a bow, riding a white horse. It is interesting how many confuse this counterfeit with the rider of the white horse in Revelation 19. In chapter 6, however, this rider is among some very bad company! "Behold a White Horse" explores the career of the first of these "Four Horsemen" who seems to have at least 33 titles in the Old Testament and 13 in the New Testament and the common term "AntiChrist" really isn't one of them. We also explore the only physical description of him in the Scripture! Why is he a "mistaken identity"? How do we know this is NOT the Christ? What is the precedent condition(s) for his appearance? What is the precedent condition for the unsealing of the Seven Sealed Book? What is the Seven Sealed Book? Is his "bow" a pun? How? Why? How can he "go forth to conquer" if he is a "peace maker"? Is the Church on the earth at this time? How do we know? Is He alive today? How do we know? How can he be the "Seed of the Serpent"?

Customer Reviews

This was an excellent summary of just what we can expect as a believer when it comes to the rapture and the son of perdition. It has given me great peace to read scripture that describes my meeting with the groom who so anxiously awaits the fullness of the Gentiles and permission to come for his bride!

I had a lot of questions answered in this study of The White Horse. I am reading all of Chuck Missler's books. They are challenging some of my previous beliefs and confirming some. I love his use of scripture, Hebrew & Greek, historical sources & his Bible study techniques so I can search out & understand what Jesus was telling us all those years ago. It draws me closer in my relationship with HIM!

I have found Chuck Missler's understanding of scripture, history, and science to be very extensive. I would highly recommend this book to anyone with an interest in the events associated with the end of this era. If you hold the bible in high regard you will not be disappointed.

This book was a nonstop read. It provides information and resources backing up what is written so that Followers of Christ can better understand and recognize the antichrist.

Excellent book. Chuck missler is one of my favorites. Makes the Bible easier to understand.
