The Rapture Verdict

Synopsis

You Are Never Going To Look At The Book Of Revelation The Same Way Again The worst times in all of human history are coming, and what Michael Snyder has uncovered is this book has dramatic implications for every man, woman and child on the entire planet. The Rapture Verdict is likely to become one of the most controversial Christian books in decades, and it addresses many of the hottest questions being debated today... -Will Christians have to go through all of the chaos described in the book of Revelation? -Is the judgment of God coming to America? -Are we on the verge of entering the Great Tribulation? -What is "the parousia", and how does that ancient Greek word completely shake up conventional theories about the rapture? -Does the rapture come before, after or somewhere in the middle of the Tribulation? -Why are millions of Christians in the western world going to become extremely angry with their pastors? -Do the Biblical festivals provide us with a prophetic template for the events surrounding the second coming of Jesus Christ? -Will this be the generation that witnesses the rise of the Antichrist and the Mark of the Beast? -Is the organized church in danger of missing out on the greatest move of God the world has ever seen? Michael Snyder answers those questions along with so many others in an uncompromising manner. The amazing discoveries and ominous warnings that he shares in this book are going to shake the Christian world to the core. The Rapture Verdict is both a chilling warning and a deeply inspiring message of hope. If you want to be on the cutting edge of what God is doing in these last days, then this is one book that you cannot afford to miss. Michael T. Snyder is a former Washington D.C. attorney who now spends his full-time researching, writing, speaking and publishing The Economic Collapse Blog. Michael and his wife Meranda believe that God is going to move greatly even in the midst of all the chaos and darkness that are coming. They are convinced that the greatest move of God and the greatest harvest of souls the world has ever seen will happen between right now and the triumphant return of Jesus Christ to this planet.

Book Information

Paperback: 268 pages

Average Customer Review: 4.3 out of 5 stars See all reviews (180 customer reviews)

Best Sellers Rank: #16,164 in Books (See Top 100 in Books) #21 in Books > Christian Books & Bibles > Theology > Eschatology #251 in Books > Religion & Spirituality > Religious Studies > Theology

Customer Reviews

I am a Medical Scientist who has worked in R&D in the past and have been in this field for almost 30 years. As a Scientist and a Christian, all of my study must be evidentiary based and I rely on Scripture to lead me to the truth. In my studies, I use Logos 6 software due to the incredible research tools available, especially the interlinears and reverse interlinears. Mr. Snyder appears to have a similar basis for his Bible research and it is no surprise since his background as an attorney would have left him trained to use supporting evidence. This book is very heavily documented with Scripture, sometimes being redundant for those of us who study the Bible often, but I understand why he did that so I did not deduct for it. I do wish he had left out some of the commentary, which can at times feel like it is denigrating others who do not understand his viewpoint. This is a touchy subject, as seen with the one star reviews and a straight forward laying out of facts would have been my approach. However, the facts are overwhelming and he has saved me months of research by writing the book. I was able to read it within a few days and then fact check his Greek (and some Hebrew) to see that he was correct on interpretations. I had early on believed from my readings of passages in the Old and New Testaments that the Ressurrection (I don't care for the term Rapture) would happen in or at the end of the 7 years of Tribulation, but I actually had been leaning more towards the Pre-Tribulation after speaking with some Christians and Christian leaders who I assumed had studied more since I have mainly focused on researching fulfilled Prophecy to use as a testimony for the non-believers I am trying to inform.
