Coloring Visions Of Heaven: An Inspirational Christian Coloring Book Of Scenes Inspired By The Bible For Adults Of Faith Seeking Peace

Synopsis

May my meditation be pleasing to him, as I rejoice in the LORD. — Psalm 104:34 Take some quiet time for you and your faith. This coloring book is designed to quiet the mind and fill the soul. Each beautiful piece of art is drawn from the stained glass windows of sacred buildings throughout the world. Many are shown as you would see in the sanctuary; others are adorned with complex zentangles to entertain your hand and eye. Accompanying each window is a scripture and thought to meditate upon while coloring. Moreover, each exceptional, hand-drawn image is formatted to be removed and framed to keep or gift. Colouring books for adults are a wonderful way to unwind and release stress. For many grownups, it is a creative outlet that provides a calming state of meditation. For others, it's a wonderful way to spend quality family time with your kids who also love to color. What better way to share your Christian faith with your children than to discuss a beautiful scene inspired by the Holy Bible and a relevant Bible quotation! While feeling the scratch of the pencil underhand and hearing nothing but the silence around you, be mindful and focus on your faith and your relationship with God and his son Jesus Christ. This book is much more than expected. The pictures are beautiful and each has a Bible verse to go with it. You don't even need to color the pictures to appreciate the art. I also love the introduction page to each picture. It adds so much to this book. The last few pages are verses to cut and mount or give to family members. This is a ONE OF A KIND. I recommend you get this for yourself and all your church friends.

I love this book. I got one for myself and more to pass out to my bible study group - made such a great gift!! They loved it! (And it's affordable!) I've colored several of the pictures so far. It's so nice to have a scripture to meditate on while I'm coloring. Meditative and spiritual! I keep this in my pocketbook to pull out and color whenever I get a little time or the mood strikes me. I might need to get another one for my office! Love it!!

This book is filled with beautiful stained-glass pictures and a scripture verse to go with each one. The best part is that there are optional scripture verses in the back of the book that you can cut out and frame with one of your favorite pictures if you choose. Love this book!!

We purchased 75 of these for Easter for our church, Three Rivers Community Church in Martindale, TX! There is room on the back of the book to put a label with the church information and to make it more fun, we are raffling off 3 sets of nice coloring pencils! SO EXCITED TO SHARE THESE WITH

OUR CHURCH FAMILY!!

Pictures are amazing but I was hoping for better quality paper as they are just "normal" paper pages. I just have to use my coloring pencils and not any markers as they will bleed through. But overall, still nice.

I would have enjoyed this more if they had just left it at stained glass pictures without all the zentangle additions. The zentangle stuff makes it too busy looking and dark. The paper quality is not as fine as many other coloring books.

What a beautiful option for adults to color, and connect more profoundly with my kids as they color! I love this, Periwinkle Davies! Thank you! Blessings. - K. Willahan

A wonderful way to relax and meditate spiritually.
