Living In The Abundance Of God

Synopsis

It is just as important to learn how to receive a blessing as it is to be willing to give one. So teaches John Osteen in this audiobook. Growing up during The Great Depression, John's mentality was shaped by frugality that seeped even into his spiritual life. When God tried to bless and increase his life, he struggled with receiving the abundance of God. But the Bible shows us example after example of those whom God blesses after they lose everything. God wants to shower us with abundance: Grace for Your Every Need Forgiveness for Every Relationship Righteousness for Every Accusation of Satan Joy for Your Heartache and Pain Provision for Your Every Lack Love to Reach Out to Others Power for Your Weakness The Holy Spirit for Changing the World Abundant Freedom for Every Stronghold Miracles for Your Impossibilities Using practical application and divine verification from the Bible, John Osteen shows listeners how to embrace the abundance of God in every aspect of their lives.

Customer Reviews

Joel Osteen's father John writes the main book and Joel Osteen reflects on it in the book. John talks about the Gospel, Holy spirit and miracle healings/forgive/grace etc. Letting God use you/don't limit God/God has more power than us alone. Love, no fear. Thank/praise. How Bible people followed God is explained. It is the basics of Christianity.

This is the third book of John Osteen's that I have purchased. I've also purchased the audio book

for each one. I listen to one or two of the cds every day, as I'm working, when I go to bed at night, and also, first thing in the morning when I wake up. I like having the book, because then I can take it with me into a restaurant, if I'm alone, and enjoy reading it and marking the Scriptures and other passages that encourage me. I appreciate John Osteen's family making these books and cds available for all of us. He was a great man of faith and had SO much to pass on to the Body of Christ. His writings are very encouraging, and yet, he doesn't 'soft-peddle' the Truth! I got a good deal on the books and cds through .com. :)

I was fortunate to have John & Dodie Osteen as my pastors and thoroughly enjoyed this book and the teaching. It was good to have Joel write the forward and expound on his father's background.

I enjoyed John Osteen's book. It made religion and christian beliefs clear and how we can turn for guidance from God's instruction.

This book really helps you to understand the true meaning of living in the Abundance of God. Thank You Joel for another great book

Each new book I read from John Osteen opens my mind and my heart. I feel my relationship to God is stronger and in this book it talks about how important forgiveness is. In order to pass through to the next level of your journey to live an Abundant and healthy Christian life. We reign in life through forgiveness.

As I read this book, I felt that The Lord was speaking to me through Pastor John Osteen. This book was very encouraging and makes me want to read the book of Acts (again). This book also rekindled my Love for the Word of God, and it touch on some measure Power Points.

A mother's day gift that was truly wonderful. Makes you feel like Jesus is talking directly to you. Love it!
