Customer Reviews

I love the plain talk, it's easy reading. For example, when Humphrey spoke of detoxing, she said, ..."grab a cup of that liquid green stuff..." Funny thing is: I did. Not only that, Humphrey didn't come from a lofty position. She let it be known that she's been in the trenches, and has been in need of transformation herself. And she broke it down into bite-sized pieces. I was able to finish this eBook within 24 hours. But make no mistake about it, this is a reference book for me now. Not one I'll read

just once and toss to the side, nah. I will constantly refer to this helpful POWER MOVE GUIDE.

Not only does this relate to life, it also gives you tools to press forward and get through some things.

I just started reading the beginning of this amazing gift of a book last night before going to bed. This book is so much needed to every generation who NEED a new reset in their life so they can prosper through to the highest full potential God has destined inside them. This blessed read will speak volumes to your spirit and excel you personally in every relationship both personal and business for your growth.

Great books are the ones that can transform you more into the image of Christ. I can already tell this is going to take me to the next higher level of well, me. :) I'm so thirsty for growth, I'm so thankful that there are people out there who write with this level of boldness.
